

MVBC Annual Junior Camp **Friday, 18 July 2014 – Sunday, 20 July 2014**

To whom it may concern

The Montana Vikings Basketball Club's (MVBC) Junior Camp is an important opportunity for us to positively influence the daily decision-making and life-style choices of our juniors away from the basketball court.

The Junior Camp encourages our members from different demographics, social and cultural backgrounds to be together for a weekend, sharing life experiences, and learning from and with each other. Our club members come from a wide range of socio-economic and cultural backgrounds. Areas include Montana, Valhalla Park, Gugulethu, Nyanga, Heideveld, Manenberg, Phillipi as well as Grassy Park, Goodwood, Salt River, Rondebosch, Blouberg and Brackenfell. One of the main reasons for our club's success is that we are a family, and we provide the home away from home environment to our members. The integration allows the less fortunate members with particularly financial difficulties to identify opportunities and to rise above their challenges.

The Junior Camp provides opportunity for educational and empowerment sessions with our members. The theme for this year is "Positive Lifestyle".

At the Junior Camp we provide the following meals for all the participants for the duration of the camp: Friday – light snack, Saturday – breakfast, lunch and dinner, Sunday – breakfast and lunch.

We rely a great deal on donations sourced from our club community and their networks to help maintain the success of this all important Annual Junior Camp and therefore appeal for your contributions towards our event.
